

PCA-MINNESOTA: ORGANIZATION HIGHLIGHTS

The Minnesota chapter of Positive Coaching Alliance began in 2013. Since then, with your unwavering help and support, we've taken great strides toward transforming youth sports back into the positive, fun, character-building experiences they should be. Together, we can continue to use youth sports as a platform to teach valuable lessons rather than bad behavior.

LET'S TAKE A LOOK AT 2016

68,820

MINNESOTA KIDS IMPACTED
(THAT'S AN INCREASE OF 26% FROM 2015)
